The European Women Lawyers Association and
The Hungarian Women Lawyers Association
cordially invite you to the

2023 EWLA Congress

“AI AND TECH IN THE LEGAL WORLD - ACHIEVING GENDER BALANCE”

To be held on April 20-22, 2023 in Budapest, Hungary.

We will be sending more information as to registration and activities in the near future, but the dates and location are now confirmed.

We have also received time-limited discounts for the conference at two hotels.

Attendees must book the hotels themselves:

Hotel Parlament (4*) <http://www.hotelparlamentbudapest.com/index.htm>

Located within 300 m from the Budapest Bar Association's building (the Conference Site), this hotel opened in 2006 and was renovated in 2016 in modern art deco style, a practical, true downtown hotel. The special price given to our conference attendees is: EUR 125/night (one person)/ EUR 140/night (two persons), including the current taxes.

Three Corner Downtown Edition (4*) <https://threecorners.com/budapest/the-three-corners-downtown-edition-hotel/> Located within 600 meters from the conference site, it has been recently opened. The hotel has offered extra discount to the attendees from the all time lowest fares, and reservations can be directly made through their online systems. The current price of a single room (including breakfast) is EUR 117 before the extra discount.
